One of the most satisfying aspects of this experience is getting to know one another! We are all individuals with different backgrounds, but we often have unknown commonalities. Please take a few moments to answer the following questions, so we can get an idea of your interests, and experience!

Briefly describe previous volunteer/work experience:

What made you want to volunteer with FWW?

What sort of activities would you like to participate in with FWW?

What types of skills or expertise do you believe you will bring to the table? (This is your chance to be boastful!)

Any experience working with youth? (Please describe)

How did you hear about FWW? (This will help us locate great people like you in the future!)

What is your availability? (Please list days of week and times)
